

A black and white advertisement for the Fenix HM75R Pro headlamp. The top half features a high-quality photograph of the headlamp, which is mounted on a black, textured, adjustable headband. The headlamp has two large, circular LED lenses and a smaller lens above them. The Fenix logo, a stylized star above the word 'FENIX', is visible on the headband and the side of the lamp housing. Below the image, the product name 'HM75R Pro' is written in a large, bold, sans-serif font. Underneath the name, the text 'MAGNESIUM MULTI-LED HEADLAMP' is displayed in a smaller, bold, sans-serif font. The bottom half of the advertisement is divided into two rows by a horizontal line. Each row contains a square icon on the left and a text description on the right. The first row features a sun-like icon with eight rays and the text '3500 LUMENS MAX OUTPUT'. The second row features a flag-like icon with a diagonal line and the text '398 METERS MAX BEAM DISTANCE'. The entire advertisement is set against a dark, solid background.
